

# 2020 CPT® Coding and Compliance Workshops Registration!

## 2020 CPT® Coding and Compliance Updates! (Formerly the AMA CPT Updates Workshops)

Join us again for this annual, comprehensive one-day seminar that provides the necessary instruction for participants to keep pace with changes in procedural terminology to help you achieve accurate submissions for reimbursement.

Gain exclusive access to leading CPT expert trainers. The workshop provides a thorough review of CPT changes to provide professionals with key knowledge to keep up to date with changes and new procedural codes. This year the workshops will include HCPCS level II changes, OIG /CMS changes, and compliance highlights for 2020. Attendees will walk away with excellent official resources to use!

### Features for this workshop:

- An introduction to and overview of CPT changes that include added, revised and deleted codes
- A detailed explanation of the rationales behind added, revised and deleted codes and guidelines
- Information on changes to the code set and guidelines
- 2020 Compliance, CMS and OIG Work Plan preview!
- 2020 HCPCS Level II preview of changes!
- Expert-led interactive (experienced AMA trainers)
- A copy of the AMA CPT® 2020 Professional Edition codebook
- A copy of AMA CPT® Changes 2020: An Insider's View codebook
- A printed copy of CPT® Changes Workshop Attendee Guide
- A copy of 2020 ICD-10-CM Additions, Revisions, Deletions

The AMA continues to enhance the *2020 CPT® Professional!* Plus, the *CPT® Changes Insider's View* resource assists with better understanding of the changes. The features include improved rationales to communicate the reasons for, the implications of the changes, and much more.

The AMA has stated many CPT code changes will take effect in 2020. This edition of *CPT Changes* will explain changes throughout the entire code set, including tips in key areas of the most significant changes. Revised tables and index changes have been included for 2020!

The workshop will also provide key insight to essential compliance efforts in combating fraud, waste and abuse by reviewing the OIG Work Plan and auditing focus for Medicare and Medicaid. Be prepared in 2020 to be compliant from the start of the year. Let our experts steer you in compliance with a fundamental understanding for accurate application of the changes for risk reduction and accurate reimbursement!
